

<https://fundraise.moffitt.org/campaign/frank-fest-car-show/c835763>

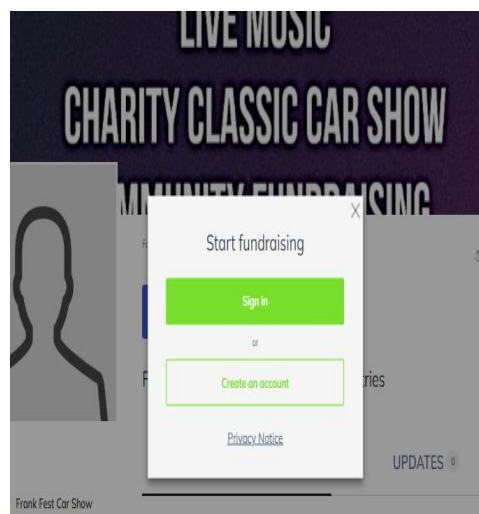

1. Click on Green Button – Create a Fundraising Page for Car Show Entry

2. Click on “As an Individual”

3. Click on “Create an account”

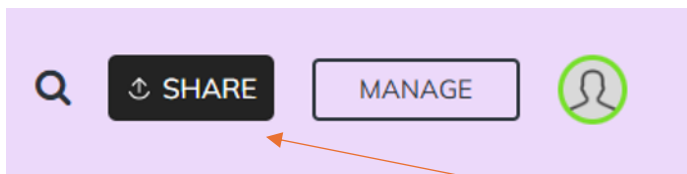

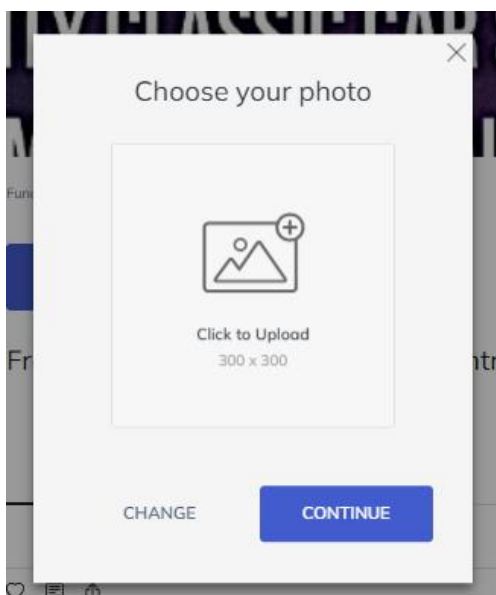

1. Enter an email address
2. Create your password – save it
3. Enter your first & last name (this becomes the default name of your fundraising page. You'll need to modify this later to set up your car's Nickname – e.g. Frank's 1987 Grand National (steps to do set the Nickname comes after your page is set up – see step 15)
4. Click Green Button - Sign Up
5. Select a picture of your car to add to the page
6. Choose a fundraising goal if you want to designate an amount or enter 0
7. Create a "vanity URL" custom link to this page – e.g. I entered frankfest1987GrandNational

which gives the link of

<https://fundraise.moffitt.org/frankfest1987GrandNational>.

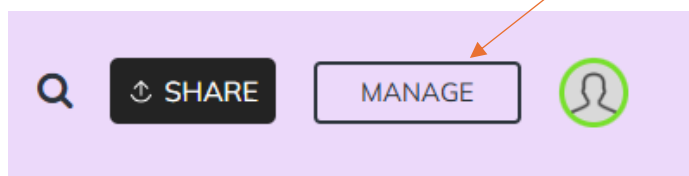

1. Copy the link and save it to sign back in to your fundraising page to make changes.
2. Also, you can share it with family, friends, & fellow car enthusiasts &
3. After your account is fully set up, you can share the link to your car's fundraising page. You can also create a QR code for this link. Click on the black Share button
4. You'll want this QR code for the day of FRANK FEST for guests to donate. Also, you'll need to send this code to judebowen@milolorian.com so it can be printed for the day of the show.
5. Click on box if you want to be contacted in the future by Moffitt Cancer Center Foundation
6. Click Create Team

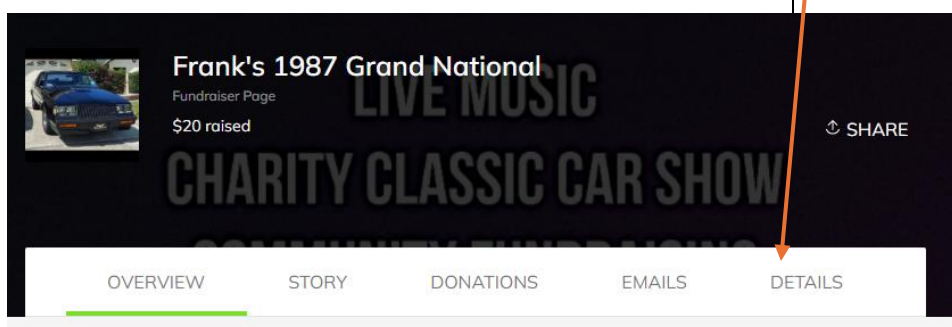

7. Upload a photo of your car
8. Create your headline for your car
9. For the description, you can use the default story or create your own story of the car & why you've decided to participate.
10. Make sure to save your changes (scroll down to the bottom & click on button to Save Changes)
11. Now create the Nickname for your car by clicking on the Manage button at the top right of the screen
12. Click on Details
13. Enter your car's Nickname in the box below the picture
14. You can also edit any other details of the page here – e.g. Headline, Vanity URL (website for your car's page), Set a donation goal, etc.
15. Scroll down to the green "Save Changes" and click on it.

Step 15

SAVE CHANGES

Once you sign out of your fundraising page, use your Vanity URL (website for your car's page) to return to your page (sign in) to see progress, make more changes, etc.
